EDUCATION

NAME OF INSTITUTION (Most recent first)	City	Country	Degree obtained or expected (Exact title, discipline)	Grade	Dates (start/finish)

WORK EXPERIENCE

Current or most recent position (Company, Department, description of your task and responsibilities)	
Other previous relevant positions	
Prizes, awards, special grants	

RESEARCH EXPERIENCE (if applicable)

Please include dates and type of Research Performed, Publication list and Patents	

YOUR Curriculum Vitae to be included here (2 pages maximum)

LANGUAGE REQUIREMENTS

Please complete the following table and submit, as part of the present application, any document stating that you have the necessary proficiency: language certificates (TOEFL, TOEIC, …), working experience or diplomas passed in the language.

For students having their Academic Courses in English, a simple certificate about the language of education will replace the language certificate documents.

Working languages	Level (TOEFL, TOEIC)	Supporting documents provided
English		

iSocial OPENINGS

Please indicate the codes of the iSocial openings that you would like to apply (in preferential order if several choices) with regards to the list proposed in the iSocial web site http://isocial-itn.eu/.

Choice	Opening Code
1	
2	
3	

Please explain in the box below your motivation for the selected project (5-10 lines):

REASONS FOR APPLYING AND CAREER PLANS

Please state within the box below in approximately 400 words, the following points:
1. Your reasons for applying to iSocial ITN
2. Your personal skills and abilities for such a program and your possible preparation to undertake it
3. Your focused interest within the field of distributed computing, if any

4. Your career plans upon completion of the training

This statement is very meaningful for the Selection Committee in order to appreciate the strengths or weaknesses in your background, in your motivation, and in your ability to successfully participate in Marie Curie iSocial project, as well as future responsibilities in the field of distributed computing.

HOW DID YOU HEAR ABOUT THIS MC iSocial-ITN? (Tick one or several box/boxes)
