## Find out which skills others see in you

Discover your skills and areas for improvement through anonymous feedback provided by your trusted network.

### Sign up for an invitation, Skillable is free to use!

#### Your Core Strength

Invite your most trusted connections to rate your abilities. Once you have reached a minimum number of reviews, we compile the feedback onto a scorecard to let you discover your core strengths and areas for improvement.

#### Right skills for the Job

Search for any job or career and find out if you have what it takes to get there. By comparing your own capabilities with your dream job requirements we show you what you could improve to speed up your next career move.

#### Employers Unveiled

Rate your employer and find out what other people think about theirs. Find out what makes employers popular or unpopular to work for. Learn about companies' cultural diversity, gender or age distribution, and much more!

#### Happiness & Cultural Fit

Filter your company searches to discover which company culture best matches your profile. Cultural fit is a crucial element for a satisfying career, because at the end of the day, if you are not happy with your employer, you will look for alternatives.
